The Independent Power Producers of New York, Inc. (IPPNY) is a trade association representing companies involved in the development of generation, marketing and sale of electric power and natural gas in New York State. Utilizing cutting-edge technologies and fuel types such as Cogeneration, Nuclear, Hydro, Coal, Wind, Solar, Natural Gas, and Biomass, IPPNY members produce more than 60 percent of New York state's electric power. Together, we're the Independent Power Producers of New York.

IPPNY provides a myriad of valuable collective and individual services, each designed to strengthen every individual member and the industry as a whole, including:

- *State Government Relations*
- *Public Affairs*
- *Member Communications*
- *Regulatory Advocacy and Working Groups*
- *National Coordination*

IPPNY 2019 Dues Schedule

Dues are based upon name plate rating (MW) as listed in the NYISO's Gold Book.
